Blood Glucose Test Strip

2024-04-05

LOT

212250505

BIONIME  
Blood Glucose Test Strip

25 PCS (a vial of 25)

GS300

Noble Metal Electrode Strip  
(Smart Code Key included)

RIGHTEST™ GS300

Use with RIGHTEST™ GM300

101-2GS300-1Q0  
EN

BIONIME  
Blood Glucose Test Strip

For *in vitro* diagnostic use  
For self-testing and professional use

- Store at temperature 4 - 30°C (39 - 86°F) and RH 10 - 90% relative humidity
- Do not freeze
- Read package insert before using
- Use within 3 months of opening strip vial
- Do not use if expiration date has passed
- Do not use if seals are broken
- Discard test strip properly after single use

BIONIME  
Blood Glucose Test Strip

#### Instruction of use GS300

1. Insert the strip into the socket on the top of the meter and wait for the information on the blood glucose meter LCD to appear.
2. After obtaining a blood sample on your finger, gently touch the tip of the strip in order for the blood sample to be absorbed.

RIGHTEST™ GS300

BIONIME  
Blood Glucose Test Strip

#### Features:

- User friendly design.
- Only 1.4 µL blood sample required. Less blood means less pain.
- Noble metal Electrode Strip performs high. Precision and Accuracy.
