ACCORD MUPRAS : _____

A diagram of a tooth arch, likely a maxilla or mandible, showing the arrangement of teeth. The arch is divided into four quadrants by a vertical midline and a horizontal line. The top is labeled 'Haut' and the bottom is labeled 'Bas'. The teeth are numbered 1 through 8 on both sides of the midline. The teeth are represented by simple line drawings showing the crown and root. The numbers 1, 2, 3, 4, 5, 6, 7, and 8 are placed next to each tooth, indicating their position in the arch. The teeth are arranged in a semi-circular pattern, with the central incisors (1) at the front and the molars (8) at the back.

OBSERVATIONS : _____
