A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on both sides, starting from the central incisors (1) and moving towards the molars (8). The diagram is divided into four quadrants by a vertical line (midline) and a horizontal line (occlusal plane). The quadrants are labeled: H (top-left), 1 (top-right), G (bottom-right), and B (bottom-left). The teeth are shown in a simplified, schematic style, with labels 1 through 8 indicating their position in the arch.
