A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8, starting from the central incisors at the midline and moving outwards to the molars. The numbering is symmetrical on both sides. The diagram is divided into four quadrants by a vertical line and a horizontal line. The quadrants are labeled with letters: 'H' at the top, 'G' on the right, 'D' on the left, and 'B' at the bottom. The teeth are shown in a simplified, schematic style, with some teeth having small 'h' or 'l' markings, possibly indicating handedness or specific features.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20-22 visible lines. The paper appears slightly aged or off-white. There is no handwriting or other markings on the page.
