A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on both sides, starting from the central incisors (1) and moving towards the molars (8). The diagram is divided into four quadrants by a vertical line (midline) and a horizontal line (occlusal plane). The quadrants are labeled with letters: 'H' at the top center, 'G' at the top right, 'D' at the bottom left, and 'B' at the bottom center. The teeth are shown in a simplified, schematic manner, with labels 1, 2, 3, 4, 5, 6, 7, and 8 indicating their positions relative to the midline and occlusal plane.
