A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on both sides, starting from the central incisors (1) and moving towards the molars (8). The diagram is divided into four quadrants by a vertical line (H) and a horizontal line (D). The quadrants are labeled: H (top), G (right), B (bottom), and D (left). The teeth are shown in a simplified, schematic manner, with labels 1 through 8 indicating their positions relative to the midline and the horizontal line.
