ACCORD MUPRAS : \_\_\_\_\_

A diagram of a tooth arch, likely a maxilla or mandible, showing the arrangement of teeth. The arch is divided into two halves by a vertical line. The top half is labeled 'Haut' (Skin) and the bottom half is labeled 'Bas' (Bottom). The teeth are numbered 1 through 8 on both sides, starting from the center (midline) and moving outwards. The diagram illustrates the relative positions of the teeth, with the central incisors (1) being the most prominent and the molars (8) being the most posterior. The diagram is used to illustrate the relationship between the teeth and the surrounding tissue (Haut) and the underlying bone (Bas).
