Ex. Complémentaires :

Antécédents :

A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8, starting from the central incisors (1) and moving outwards to the molars (8). The diagram is symmetrical about a vertical midline. The teeth are shown in a simplified, schematic style with some internal shading to indicate structure.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or printed text on the paper.
