A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on both sides, starting from the central incisors (1) and moving outwards to the molars (8). The diagram is symmetrical about a vertical midline. The letters 'H' and 'G' are positioned at the top left and top right corners, respectively, and 'D' is at the bottom left corner. The teeth are depicted with detailed outlines showing cusps and roots.

[illegible]
