A diagram of a human dental arch, likely representing the upper arch, showing 8 teeth on each side. The teeth are numbered 1 through 8, starting from the central incisors (1) and moving outwards to the molars (8). The diagram is divided into four quadrants by a vertical and a horizontal line. The top half shows the upper arch, and the bottom half shows the lower arch. The teeth are labeled with numbers 1 through 8 on both sides of the midline.
