A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on both sides, starting from the central incisors (1) and moving towards the molars (8). The diagram is divided into four quadrants by a vertical line (midline) and a horizontal line (intercusp line). The quadrants are labeled with Roman numerals: I (top right), II (top left), III (bottom left), and IV (bottom right). The teeth are also labeled with letters: A (incisors), B (canines), C (premolars), and D (molars). The diagram illustrates the arrangement and relative positions of the teeth in the dental arch.
