VL 07 = (-0,25 - 140°)

06 = (-0,25 - 160°)

A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8, starting from the central incisors at the midline and moving outwards to the molars. The numbering is symmetrical on both sides. The diagram is divided into four quadrants by a vertical midline and a horizontal line passing through the center of the arch. The quadrants are labeled with letters: 'H' at the top, 'D' on the left, 'C' on the right, and 'B' at the bottom. The teeth are shown in a simplified, schematic style with outlines and some internal shading to indicate their shape and position.

## OBSERVATIONS

| Dates        | Actes                  | Observations       |
