

A diagram of a human dental arch, viewed from the front, showing the arrangement of teeth. The teeth are numbered 1 through 8, starting from the center (midline) and moving outwards to the sides. The upper arch is labeled 'H' at the center and 'G' at the sides. The lower arch is labeled 'B' at the center and 'D' at the sides. A vertical line divides the arch into two halves, and a horizontal line divides it into upper and lower sections.
